- One way (800 € if applicable, not included in 1.000 €/day APA)	
- Overnight stay before/after the charter (700€/night not included in 1000€/day APA)	

Evening mooring fees, buoys and marinas are not included in APA but can be included according to agreement and in estimated amount. We are equipped in such a way that we do not have to stay in marinas often. We prefer to be at anchor, which is more convenient for our guests.

Some costs (fuel, food, drinks) are estimated based on experience, but may differ from charter to charter.

If there is a significant excess of engine or generator operating hours, it will be charged according to the above calculations and prices.

* estimated quantities and amounts based on previous experience and statistics

** estimated based on engine consumption of 13 L/h

*** estimated based on engine consumption of 4 L/h

**** 500€/charter, calculated on the basis of a charter lasting , eg. 5 days. 500/5=100€/day
