BASIC INFO

Discovery I has been carefully prepared and equipped to meet the high standards of a stay at sea. She is continuously upgraded by modifying the original design and solutions, installing state-of-the-art e-appliances, and fine-tuning the entire yacht for top sailing performance to meet the newest trends: green cruising, low waste, greater autonomy, superior sailing experience and maximum comfort.

Still thinking how to organize the best vacation? Here are four reasons to choose Discovery for your sailing adventure:

Unmatched Comfort:

Discovery is renowned for its spacious and comfortable accommodation. With its 8,7m wide beam and innovative design, Discovery offers generous living space, comfortable cabins, and ample lounging areas both inside and outside the catamaran. You can relax, socialize, and enjoy the journey in luxurious comfort.

Stability and Safety:

Lagoon catamarans are known for their exceptional stability on the water. The twin-hull design minimizes rolling and pitching, providing a smooth and comfortable sailing experience. This enhanced stability not only improves onboard comfort but also enhances safety, making Discovery a great choice for families and those new to sailing.

Excellent Performance:

Lagoon catamarans are designed to deliver impressive sailing performance. Their lightweight construction, sleek hulls, and efficient rigging systems allow for easy handling and swift sailing. Whether you're looking for a relaxing cruise or an exhilarating sailing experience, Discovery offers the perfect balance of performance and comfort.

Exceptional Quality and Craftsmanship:

Lagoon is known for its commitment to quality and craftsmanship. Discovery is built with meticulous attention to detail, using high-quality materials and advanced construction techniques. This dedication to excellence ensures that you'll be sailing on a reliable and well-crafted vessel, providing peace of mind and a memorable sailing experience.
